## Relay: December 2015

Season's greetings and welcome to the December edition of the Child Protection in Sport Unit newsletter.

In this issue we meet the Ann Craft Trust's new 'safeguarding adults at risk in sport manager'. Nicola Dean tells us what she will be working on in her new role. She's also looking for your feedback on what support is needed to help organisations to safeguard adults at risk in sport.

We're also looking for your help. We launched our safe sports events management tool a year ago and we would like your feedback on how we can develop and improve it. Find out how you can help us later in the newsletter.

Don't miss out on our next webinar 'Safeguarding disabled children in sport' on 21 January 2016. Sign up now if you haven't done so already.

If you have any feedback or would like to ask us a question, [get in touch](#). It would be great to hear from you.

## Safe sports events management tool - a year on

We're looking for your help to develop and improve our safe sports events management tool to include additional information, guidance and resources for effective event planning. We would like the tool to be available for a wide variety of type and size of events, and to make sure the tool is relevant to organisers of events for children and young people of all

ages/participation level. [Read more](#)
