

Newport Junior Open 2019

It was touch and go whether the Newport Junior Open would go ahead on the 12th January due to the Adult Welsh National Closed scheduled for the same weekend; thankfully the Closed was re-scheduled and we succeeded in holding a superb event for the boys and girls U11/13/15 players.

The day saw some superb squash from the local Welsh players, and it was brilliant to see some of the Newport Squash Coaching Academy (NSCA) entering their first ever tournament.

The tournament was run by Sarah Clode from Squash Wales who did a fantastic job and the coaches, participant's parents and Newport Squash Committee members were also on hand to help with the smooth running of the tournament and refereeing of matches. A big thank you to all involved!

Smashsports supported the tournament with Tecnifibre prizes for all winners and runners up. Congratulations all!
