

THOMAS OWAIN DAVIES

I am the Voluntary Press Officer for Wales Squash and Racketball (WSRB) and have held the position since January 2014. In this role I research, write and deliver regular press releases for WSRB on a range of topics including national team squad announcements, international tournament results from youth to senior level and season wrap-ups for Welsh clubs.

I graduated from Cardiff University in 2010 and gained a Diploma in Journalism after syncing study and work at the Argus newspaper in Brighton in 2013. I currently combine my press officer duties with working full-time as a Communications Specialist for global Tier 1 automotive supplier, Visteon, in Chelmsford, Essex.

Outside of work, I have a keen personal interest in playing and watching sport. I play football, squash and badminton regularly and have joined Chelmsford RFC for the 2016/17 season; while rugby is my true love and I am a passionate Neath, Ospreys and Wales supporter. Other interests include travelling and attending music festivals - with Nos Alive in Lisbon being a particular favourite.
