

6th/7th May 2016 75+ men squash home internationals Nottingham Cpt. Report

For the first time Wales had more than the minimum squad of players. In the 75+ we were fortunate to have 5 good standard players available and did not need to pull in players, even though they might have played in the closed !!

Our 1st match against Scotland, Harry Barnard at 3 out foxed his opponent and managed a win, followed by Brian Phillips who beat Vinnie, who is a Scottish Canadian who flies in especially! A good result. Two up and Garry Williams lost at 2.

On Sat am we brought the hairless but energetic Gary Greenalgh at 2 and played and beat a tired Irishman. Brian at no.1 unexpectedly lost to Noel Murphy but Harry again in his disjointed way walked through their no3.

So it was England again on Sat pm. We were lucky to have Mike Thurgur, with lots of hair, a 100 temp and coughing! But still managed to beat Kirton at 1 ,to the delight of everyone, Brian hung on in his way and stuffed Beeson at 2 and Gary Greenalgh walked through John Woodliffe, although with a few scares!

So Wales came on top , Scot 2nd ,Eng 3rd and Ire 4th. A good result!!!!
