Squash Wales Safeguarding Toolkit

You may be considering volunteering for the role as your club welfare officer or you may already have been appointed – if so, congratulations!

The club welfare officer is a crucial role in your club and you find that you will work across the membership (adults and children/young people), the club committee and the parents/guardians of the young people in your club. Wales Squash wish you a fulfilling and enjoyable experience and appreciate your commitment and time that you are giving to your club to support and develop the club and squash

The Safeguarding Toolkit is designed to support you in your role as the Club Welfare Officer. It complements the Wales Squash Safeguarding and Protecting Children Policy and Procedures, which can be found on the Wales Squash website www.walessquashandracquetball.co.uk.
