WSRB are committed to:

- implementing sound recruitment procedures for new staff
- promoting Good Practice to protect all people involved in Squash
- implementing a Child Protection Staff Training and Development Programme
- implementing systems and procedures to deal with complaints and allegations
- creating a register of persons with substantial access to young people to reduce the likelihood of unsuitable people working within squash
- monitoring the effectiveness of the policy and implementation plan and their impact on squash
- maintaining a positive profile for child protection work

We aim to create and maintain a positive profile for child protection, where it is high on people's agendas and where safeguarding children has become a talking point in clubs, on coaching, referee courses and competitions.
