

### Masters Ladies 035/40 Aberdeen

Friday morning dawned and it was time to hit the road with a 5am rendezvous at M4 junction 32. Team assembled and a swift journey followed to make the 7am flight from Bristol!! Despite the rush we could not go to the flight gate without sampling all the make-up duty free had to offer.

It was always going to be a tough weekend for the ladies. The Friday night match was against a very strong Scottish team who were hoping to retain the title they won last year. With some spirited matches and no lack of effort the team lost 5-0.

Saturday morning and a very strong England team, eventual winners of the tournament, were too skillful and experienced for the Welsh ladies and we lost 5-0. Lunch and a team talk followed. In the afternoon session we played Ireland 1st up was Rhian Penikett who drove the ball to the back corners and secured her first masters win 3-0.

Wendy Norris up next was too strong for her Irish opponent and won 3-0, Carolyn Gooding secured the match winning 3-0. This was followed by Gill Griffiths and Lynne Davies both winning 3-0 and the match 5-0.

Great food and hospitality from Aberdeen Squash Club, some retail therapy and a coastal walk made a great weekend for all.
