Welcome to Masters Home Internationals 2014

Welcome to Scotland and to the Granite City of Aberdeen.

On behalf of Scottish Squash and Racketball I am pleased to welcome all players and guests to the 2014 Masters Home Internationals.

I know that as well as all matches being keenly contested on court, off court will be a very social occasion and will continue the strong bond of friendship between players of the Four Nations.

My thanks go ASRC for hosting this event and to all the volunteers and officials without whom this event would not be possible.

I wish you all a successful and enjoyable Masters Home International weekend in Aberdeen.

Jim Hay
President
Scottish Squash and Racketball

Welcome to Masters Home Internationals 2014

We are delighted to welcome competitors for the Masters Home International event to Aberdeen Squash & Racketball Club.

This event represents the culmination of a tough competitive season for the players in attendance; each having earned their place among the top players in their country within their age category through hard fought competition.

We trust that players will find the event, our club and our hospitality a fitting reward for their efforts.

Now at the end of our centenary season, ASRC has a proud history of high performance squash as a club, providing players who have competed at national and international level from juniors through all of the age categories.

We are proud to boast home representation at every Home International event this year and are especially proud that some can compete at their home club in front of friends and family.

We wish all of the players the best of luck, and look forward to some top quality clashes between rival countries, 'Auld Enemies' and friends alike.
